Hui Schedule

Our hui begins with a powhiri at 10am, we will meet at Hobson Gate at 9.45am – see map (purple circle) and walk to Te Whare Rūnanga (red circle). Please note that there is no shelter from Hobson Gate to Te Whare Rūnanga, so please bring a brolly or raincoat just in case it is required.

At the conclusion of the powhiri, we will walk to the Tahuaroa Function Centre see map (orange circle), and there we will have a kapu tī and kai before our day starts in earnest. Again, there is no shelter from Te Whare Rūnanga to the Tahuaroa Function Centre.

Day 1 will conclude with dinner in the Glass Marquee on the Treaty Grounds see map (teal circle). Please note that to get to the Glass Marquee, you will have to walk across some grass area from the Whare Waka Café entrance (see map), there will be ushers there to guide you. Please make sure that your footwear is appropriate for walking on grass. The attire for the evening event is smart casual with the recommendation to bring a warmer layer as it may get chilly as the sun goes down.

Attire and Weather Preparedness

Being the start of winter, we are advising to dress in layers. Most of the hui will be indoors during the day, comfortable clothing is recommended. Please check the weather forecast closer to the event date for any changes and prepare for unexpected weather conditions.

Meals

Meals will be included in the programme, please note that breakfast is not included. Please ensure that your dietary requirements have been sent to Antoinette Naera – antoinette.naera@globalwomen.org.nz.

General Information

You will all be given a Waitangi Treaty Grounds sticker to be worn for both days of the Hui. This allows you access to the Treaty Grounds on both days.

For any queries not addressed in this guide, please contact Agnes Naera – agnes.naera@globalwomen.org.nz, or Antoinette Naera – antoinette.naera@globalwomen.org.nz, 021452659.
